Reading the Bible will give you a better understanding of God's love, plan and purpose, and can transform your life.

*Through the Bible in a Year* is designed to help you read through the entire Bible in 365 days, with one reading from each of the Old and New Testaments for each day.

The readings are divided into "logical" sections, ending at the end of a chapter or story, or major section heading.

You may start the program on any day of the year, since there are no specific dates attached to the readings.

Each year the Canadian Bible Society also produces a *Daily Bible Reading Guide*, which is a list of suggested readings for every day of a given year, based on texts used in the *Revised Common Lectionary*.
